Coach Snyder arrived at Bolsa Grande for the 2000-2001 season. The team was coming off a championship the year before. It is always difficult to come to a new school, but when you are the coach who takes over from a coach who just wins a championship, it is even more difficult. Coach Snyder had to contend with young men who wanted to live in the past. They had tasted success and could not understand why this new coach wanted to change anything.

Coach Snyder stuck it out and within two years had brought the program to another championship. During the next six years Coach Snyder's teams had won two more championships, bringing his total to three out of the six championships won in the school's history. It is a great accomplishment, but he wasn't finished just yet. After an eight-year dry spell, Coach Snyder's team won the championship in 2016 and then made it back-to-back by winning again in 2017. It is the second time that Coach Snyder's teams have won the championship in two consecutive seasons. Coach Snyder's teams are responsible for more than half of all Boys' Basketball Championships in Bolsa Grande history.
